OPENING FOR SENIOR FAMILY BUSINESS ADVISOR

When you can find a greater purpose in your work, your potential is limitless. That is the mindset that drives our team at Compass Point, as we provide hands-on consulting and coaching to help family-owned businesses grow and thrive. We believe family businesses are the heart and soul of our local communities and our economy.

We are rapidly growing, and we are looking for a Senior Family Business Advisor who:

- Has 5-10 years of combined business consulting/coaching or senior leadership experience
- Has business development experience
- Has great facilitation skills, owns the room, and acts with humility
- Enjoys working with leaders and business owners to help them be the best they can be
- Has a strong financial acumen
- Has a growth mindset and is a life-long learner
- Lives in a 90-mile radius of the Lehigh Valley, PA

We offer:

- A significant income with a flexible work schedule
- Being part of a team that challenges you to be your best self
- The opportunity to move from success to significance by impacting family business owners professionally and personally
- One week each year, away from work, for personal development

The right candidate will help our team bring clarity, simplicity, and confidence to family businesses by implementing our proprietary family business operating system and coaching clients to success.
